What's the difference?

PRICE & VALUE

We pay higher wages and charge lower fees than our competitors, which allows us to attract top caregivers and deliver extended care. And, since we don't pay franchise fees, our bottom line is all about providing exceptional, trustworthy care in ways that benefit you – our clients and families.

EXPERIENCE

Our owner, Ed Hayden, has a background in human services spanning 40+ years including many years as a family caregiver himself. It was that experience — caring for his mother — that compelled him to start No Place Like Home-Care™ in 2002. Since then, we have had the honor of serving hundreds of client and families along the Connecticut shoreline.

CARE MANAGEMENT

Our Executive Care Team of competent, experienced administrators is committed to client satisfaction on a level you can feel and trust. They recognize that a client's needs and preferences drive our services, so they go above and beyond, offering a degree of support difficult to find elsewhere. Our Care Managers and administrative staff are available Monday – Friday 9:00 a.m. to 5:00 p.m. and stand-by to respond to emergency calls 24/7, 365 days a year.

EXCEPTIONAL CARE

Our approach to care planning recognizes the unique circumstances of each client and tailors a plan-of-care to suit their needs and preferences. We understand that a good fit between clients and caregivers is vital to providing exceptional care, so we work hard to get it right the first time.

CORE VALUES

You can trust us to do the right thing for you and your loves ones, because we embrace dignity, respect, safety, privacy, and compassion in all of our interactions.

I am extremely pleased with all aspects of the client/provider interaction. Our Companion takes excellent care of my mother and pushes her, respectfully, to exercise and drink more liquids.

— Sandra, Guilford —

It is hard to imagine how we could have coped without mother's "loved and trusted ladies" from No Place Like Home-Care because she was respected, and her independence honored.

— Mary and Alan, Branford —
